The off campus activities listed below will be offered. This year, all students will be participating in Canoeing. Then you will take part in two of the three other events. Every attempt will be made to ensure that students are signed up for their first or second choice. Eighth graders will be given priority over seventh graders. If it is not possible to match a seventh grader with her/his first or second choice, s/he will be given priority for next year's activity.

☐ Canoeing ☐ Horses

☐ Hiking ☐ Mountain Biking

If you were not able to participate in your first or second choices last year, please indicate what those choices were (you may choose something different this year if you wish but still please indicate what you chose last year):

_____

If you are interested in mountain biking, could you bring your own bike? (Some are available for loan.) Yes No

Once you have been assigned to a group, you will be notified and provided with a list of needed supplies. Those on the backpacking outings **must** have comfortable hiking shoes. All students should have warm clothes and a warm sleeping bag.

Most groups include six students and two adults. Please indicate any medical conditions that might affect your involvement in any of the above activities (back or other orthopedic conditions, asthma, diabetes, etc.). You should be advised that a nurse may not be present for the "off campus" activities of Outdoor School, but we will do everything reasonable to ensure student safety.
