### Faith Over Fear

By Lynee Hamm and Tina Shorey

[M-F, 9:30-11:30 pm, Admin. Bldg.]

Having faith over fear involves considering the situation, weighing the options and understanding the danger but then making the choice to fight through the fear and trust God anyway. It means pushing our fear to the side and replacing it with faith. If faith was easy, everyone would be faithful. Being a Child of God isn't about knowing what's in store for you. It is the decision to choose faith when life tells you something different. It is looking not at your past, but at your future.

We invite you to join us in these interactive seminars, hearing guest speakers share their own "faith over fear" stories. We will also be exploring some of the many questions regarding faith and fear, how to chart the waters through the storms of life, moving past our fears to something Greater.

Monday: Step Out of the Boat: We can choose to let our fear control us and run our lives or face the fears and trust that God will help us and save us from our fear. Hebrews 10:39 TPT

Tuesday: God Stands by Your Side: Daniel & The Fiery Furnace; Wednesday: God Makes Miracles Happen: The Red Sea Experience; Thursday: God is Stronger Than any Earthly Thing: Wars, Pestilence, Pandemics & More; Friday: God is So Much Bigger Than Any Fear . . . Big or Small: History Speaks

\* Please be sure to bring your Bibles!

\*\* There will be a drawing for a special gift at the end of each weekday seminar and an extra special something for those who arrive on time at 9:30 am. You are in our prayers and we hope to see each one of you there! (P.S. No children please, this is your time.)

## Family Life – Family Worship

By Luis Mancebo

[M & T, 9:30-10:45 am, Admin Bldg.]

Monday Seminar: "My Home: A place of worship". Religion in our lives has become a nominal thing. As Christians, we need to bring family worship back to life in our homes. Come and let's talk about a daily dynamic family time with the Lord.

Tuesday Seminar: "Parenting in the 21<sup>st</sup> Century". Even though we are not to be of the world, we are in the world. Our families exist in this corrupted universe and our children fall captive to the power of darkness. How do we raise God fearing children in the 21<sup>st</sup> century?
