### Camp Meeting Cabin Renters

Greetings in the name of our Lord Jesus Christ. I want to wish you a belated Happy New Year, and share my prayers and wishes for a blessed 2022. We are one year closer to Jesus' return!

The purpose of this letter is to inform you of a ZOOM (video conference) meeting that I would like to convene with the renters of the Camp Meeting cabins. **This meeting is to share information regarding the present and future of the cabins that we use for our Camp Meeting. THIS ZOOM MEETING IS SCHEDULED FOR TUESDAY, FEBRUARY 1 @6:30PM**

As I stated in previous letters, we face some realities that we cannot solve without major changes.

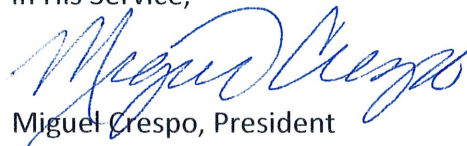

1. We are no longer grandfathered. Our cabins, and any work done on them are subject to the regulations of the Code and Health Department.
2. The rot and wear on many of our cabins is significant.
3. The new pavilion is going to be used for many events and we need to discuss lodging options for those that attend. This means that the cabins will most likely receive much more use than just one week a year as in the past.

We want to invite you to be a part of the conversation. **In order to receive an invitation to this ZOOM (video conference) meeting we need to know your email address.** You can give that to us by calling the conference office at 315-469-6921. You can ask for Bonnie, or send me an email. [president@nyconf.org](mailto:president@nyconf.org)

I look forward to seeing you at this meeting. With the zoom invitation, you can attend via a computer, tablet, or smartphone.

If you have any questions don't hesitate to call our office at 315-469-6921.

In His Service,

Miguel Crespo, President
